2016 Swim Classes

May 23rd – September 16th

Let's swim! Group swim lessons for children, ages 3 to 14, are 30 minutes daily. All children signed up for swim instruction will be evaluated to determine the appropriate group for instruction.

Swim fees are payable in advance, when the child is signed up. Lessons are \$40.00 a week. Our daily rate of \$10.00 is available for part-time students.

Sunscreen: El Rancho School staff will apply spray sunscreen to students daily before their swim lesson.
