

Dear Parents,

My name is George Baratta and I am the owner of Goodfellas4kids in Folsom.

Goodfellas4kids.com will now offer a simple way for parents to pre-order and pay for fresh, healthy and delicious lunches on line! Our ordering process is extremely flexible, allowing orders, changes and cancellations up until 11am the school day before. Student's individually packaged lunches are delivered to the school daily and labeled by student name or menu item. With a few clicks of the mouse, you can arrange for delivery of healthy kid friendly lunches tailored to your child's preferences. You save time and eliminate the stress of packing a daily lunch, at about the same cost as if you bought it and prepared it yourself. We only use ingredients you can feel good about your kids eating, and we've made it our priority to have the highest nutritional standards out there. We make it fun, healthy and delicious to eat right every day.

A healthy lifestyle is achieved through the combination of regular exercise and good dietary habits. Goodfellas4kids believes that involving children in the selection process helps parents teach their kids nutrition basics and ensures that their lunches are eaten and enjoyed.

We look forward to serving your child!

Sincerely,
George Baratta, GoodFellas Catering

We prepare meals in a facility that uses nuts, soy, wheat and other known allergens. We uphold strict sanitation procedures to reduce the risk of cross contamination. If your child has food allergies, it is your responsibility to contact us directly to discuss any potential risks in our menu.
