Discounts: (1) There is a 10% discount on tuition of 2 or more children attending El Rancho School full-time (daily, including morning, afternoon, and extended day care) and living together in the same household. The discount only applies when tuition is paid in advance, as to the payment terms of this agreement. The discount will be forfeited on any month the payment is received late. (2) A 4% discount is offered for prepayment for the entire regular, academic elementary school year tuition, which is limited to five students on a 1st come, 1st served basis, and is due no later than July 1st. I/We understand and agree that the 4% discounted prepaid annual tuition is nonrefundable regardless of circumstances. If a student is expelled or the parent/guardian is in breach of their fiscal obligations the prepaid annual tuition will be forfeited. In accepting a child for enrollment the school assumes expenses that are not reduced by the child's withdrawal prior to or during the school year.

Returned Checks: There is a \$35.00 charge for all returned checks. If your check does not clear you are ineligible for the cash discount. Your credit card will be charged accordingly, and will include the late fee (\$25) and returned check fee (\$35). If we receive two returned checks within one year your tuition payments thereafter will be automatically run on your credit card between the 1st and 3rd of each month.

Snack Ticket: The students have two snack times daily. A snack ticket (40 snacks) may be purchased for \$40.00, cash only. Students may also purchase snacks daily for \$1.00 each. The ticket is dated when a snack is served and any unused portion will be refunded upon request.

Elementary School Vacations: Academic school year: The school offers high-quality Christmas and Easter camps, which are available to all school families at no additional charge. There are no tuition credits given if your child(ren) do not attend. **Summer School:** See Summer Session Registration for details.

Refunds: Staff and facilities must be paid whether used or not, so there are no credits/refunds for absences, illnesses, quarantine, school closure or stay-at-home orders.

After 5:00 PM: There is a \$5.00 per child late charge for children picked up after 5:00 PM, which doubles every 5 minutes or portion thereof, payable immediately. This charge is a penalty to discourage late pick-up. Parents who habitually pick up their child after 5:00 PM will be asked to disenroll.

Drop Notice: We require 10 school days advanced written notice to the office to drop from enrollment. You will be financially responsible for this period whether or not your child attends. Modifications: Any changes to the Fee Schedule and Fiscal Policies will be made by written notice to each parent at least 30 days before going into effect.

Excluded: (1) The school believes that a positive and constructive working relationship between the school and the student's parents/guardians is essential to the fulfillment of the school's mission and the progress of the student. Thus, the school reserves the right not to continue enrollment or not to re-enroll the student if the school concludes, in its sole discretion, that the action of the parent/guardian make such a positive and constructive relationship impossible or seriously interfere with the school's accomplishment of its educational purposes. (2) The school reserves the right to remove a student at any time, without prior notice, if the student's industry, progress, conduct, or influence on or off campus is not in keeping with the school's accepted standards, as determined at the school's sole discretion. (3) If information developed after the contract, but prior to the commencement of the school year, suggests the inappropriateness of attendance in the school for the student concerned, the school may withdraw an offer of enrollment and void the executed contract. (4) There will be no refund of the tuition or any fees, where such enforced withdrawal occurs and any unpaid balance is payable in full in accordance with the payment schedule. In such case the entire liability of the school is limited to the monies on deposit in the amount in excess of any outstanding balance due from prior years.
